

BLUE JASMINE

DWIGHT

You have a son?

JASMINE

Yes, I have a son. Well, he's, biologically, he's not my son. He's, um, my step-

DWIGHT

Hal's suicide.

JASMINE

Look, I can explain it all later.

DWIGHT

Mmmm hmmm.

JASMINE

Why don't we just.

DWIGHT

Oh, I'm not going in there til you tell me what's going on.

JASMINE

Can we please not get into this on the street.

DWIGHT

I wanna know what's going on.

JASMINE

I know. We'll just go somewhere quiet where we can talk.

DWIGHT

Alright. Well, let's get in the car.

JASMINE

Please don't talk to me like that.

DWIGHT

Come on, Get in the car. Okay.

JASMINE

I don't like your tone of voice.

In the car.

DWIGHT

Of course, we can't get married.
You lied to me.

JASMINE

Oh, no.

DWIGHT

Up and down the line.

JASMINE

No. No. No. I wanted to tell you
the truth.

DWIGHT

What are you delusional?

JASMINE

I just thought it would ruin
everything.

DWIGHT

Did you think I wouldn't eventually
find out? What were you thinking?

JASMINE

I don't know what I was thinking. I
don't know. That everything
happened in the past and you and I
loved each other and that-

DWIGHT

What?

JASMINE

We would get married-

DWIGHT

And that what. It would just
vanish? Didn't you think that I
would find out if not today or
immediately, eventually. Like after
we were married. Or, or is that
what you wanted? That you would
wait until it was too late.

JASMINE

Too late for what? For your future
plans when you needed the
appropriate wife.

DWIGHT

I'm not saying that it wouldn't have been an issue. But that you could stand by and deceive me until I married you.

JASMINE

Oh, no, no, no. You mean til I trapped you is what you mean.

DWIGHT

Your ethical behavior is equal to your ex-husband.

JASMINE

I wasn't deceiving you when I said I loved you.

DWIGHT

God, and I found out by chance. It was just, it was just by sheer chance.

JASMINE

Okay, if it's over it's over. I get it. You're not marrying me. I brought everyone on myself. I've only got myself to blame. I did it to myself again. As usual. As usual. You. You stupid little French whore.

DWIGHT

I have no idea what you're talking about. I'm taking you home.

JASMINE

Let me out of the car.

DWIGHT

What?

JASMINE

Let me out of the car.

DWIGHT

Don't be ridiculous.

JASMINE

Can you just please let me out of the car.

DWIGHT

How are you going to get home?

JASMINE
I'm not going home.

DWIGHT
How are you going to get home?

JASMINE
Let me out of the car. Let me out
of the car.
