

INT. HOTEL ROOM - DAY

Tony

The kitchen may be in good hands, but, uh, Kaitlin can't handle the front of the house. She's got beautiful legs, but, uh, she's not very useful on the phone. Okay?

(to Helene)

Stay here and make sure this idiot doesn't have a concussion.

Helene

Okay.

Tony exits.

HELENE

(to Adam)

You okay?

adam

Mmm. Yeah.

HELENE

Let me see.

ADAM

Um...

HELENE

Oh, shit.

ADAM

Hey, don't look at that. It's okay.

HELENE

Sit down. Let me clean you up.

ADAM

I'm all right.

HELENE

No, you're not.

Helene takes off his shirt.

HELENE

Jesus. What is that?

ADAM

It's probably a boot mark. Anne Marie paid my debt.

HELENE

Yeah, Reece said she might.

ADAM

You called Reece?

HELENE

I was looking for you. I was looking for you everywhere.  
They kiss. Adam pulls away in pain.

HELENE

Oh, sorry.

ADAM

No, it's okay. I'm afraid. I don't know if I can do it.

HELENE

Listen. Conti and Tony and Max and David. We cook together. And we take care of each other. You can't do it alone. No one can. You have to trust us. Okay? We're your family.
