**INT. CHARLIE'S CHILDHOOD BEDROOM - DAY**

6

A simple shooter game. Charlie's MOM holds the controller. She gets very animated as a Demon Robot approaches!

MOM

Charlie, what is that? Omigosh!  
Omigosh! Charlie, what do I do?

Charlie is ALL SMILES! As the Demon Robot gets closer, Charlie's Mom SCREAMS and tosses the mouse. Charlie falls off the bed with laughter. Mom laughs, too.

**INT. GAME SHOP - DAY**

8

Mom leads Charlie into the GAME SHOP. Charlie hides his game under his arm.

MOM

Go ahead.

Charlie sets his game on a LOWER SHELF.

MOM (CONT'D)

No sir!

Mom reaches up to the TOP TEN shelf. Pulls off the #1 game.

MOM (CONT'D)

This is where your game belongs!

CHARLIE

Do you really think I can make a game that good?

MOM

I know you can.

Charlie sheepishly puts his game below the "#1" sign. Mom takes a POLAROID picture. Charlie BEAMS with pride!

SHOPKEEPER (O.S.)

You can't put that game there!

Mom and Charlie laugh as they grab his game box and run.
